1. Section 30 of RA # 11223, or the Universal Health Care (UHC) Act, mandates that all schools under the Department of Education (DepEd) be designated as healthy settings.
2. In response, the Department of Education-Schools Division of Dapitan City, in partnership with the Department of Health-Center for Health Development Zamboanga Peninsula Regional and Provincial Health Offices, is implementing the Healthy Learning Institutions (HLI) Program.
3. In this connection, all identified Last Mile Elementary School (LMES) are required to accomplish a Self-Appraisal Checklist to assess their health promoting status. This tool helps determine the presence or absence of health-related practices and services within the school settings, serving as the basis for identifying gaps and planning targeted improvements toward becoming a fully functional Healthy learning Institution. Means of Verification (MOV's) of this initiative are required.
4. The Self-Appraisal Checklist can be accessed and download through the link <https://bit.ly/SelfAppraisalChecklist> LHI.
